

Become a deZeption Ambassador!

The deZeption Ambassador program has been launched as part of an international promotional campaign. This is why we need your help.

It's hard these days to get signed by a record label or to find venues and gigs. The Ambassador program is launched to create a win-win situation for both you and deZeption.

The idea is to build a closer relationship between us and our fans, hereby creating a way for us to be able to play for a larger and broader audience. It is also an opportunity for you to get something in return.

What's in it for YOU?

- You will be able to get a **deZeption** concert at a venue near YOU!
- As a VIP guest you will be invited backstage.
- You receive 10% of any official fee – to be received after the concert.
- You receive a limited edition ambassador gift at the concert as a token of appreciation.

What to do?

- Contact your local venue and promote **deZeption**. We can be booked as support band or headliner.
- If the venue is interested, the booker needs to contact us at: contact@deZeption.com. We will send an electronic press kit to the venue containing:
3 promo songs in mp3 format, a press kit, promo pictures and the tech and non-tech riders.
- Send us an email telling us that the venue is interested. *Remember to include your name in the mail!*

We are looking forward to providing you with a fantastic live experience!

deZeption is seeking gigs after 1st of September 2010.

And please note that *no gig is too big. No gig is too small. We also play at private parties and schools.*

See you in your neighbourhood! Soon!
